**PETITION FOR EXPUNGEMENT OF  
INFORMATION UNDER 37 CFR §1.59**

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The Applicants hereby request under 37 CFR 1.59 that the United States Patent and Trademark Office expunge from the file for the above-identified patent application the "Terminal Disclaimer To Obviate a Provisional Double Patenting Rejection Over a Pending Second Application" filed on July 8, 2003. The Applicants also authorize the Commissioner to charge Applicant's Deposit Account No. 19-0365 for the requisite fee under §1.17(h).

Subsequent to the Applicants' filing of the aforementioned Terminal Disclaimer in response to the Examiner's rejection for non-statutory obviousness double patenting, the Examiner determined that the rejection had been inappropriately made, and therefore, withdrew it. On September 15, 2003, the Examiner orally notified the undersigned Attorney of this withdrawal and indicated that the Applicants were now permitted to expunge the Terminal

Disclaimer from the file. The Examiner memorialized his oral notification with a written Interview Summary, which was forwarded to the Applicants by facsimile on the same day as the telephone Interview. The Applicants acknowledge that the Interview Summary issued by the Examiner accurately and completely summarized the telephone Interview of September 15, 2003.

No additional fees are believed to arise due to this filing, however, if any additional fees are required, the Commissioner is hereby authorized to charge any required fees to Deposit Account No. 19-0365.

The Applicants believe that this petition will satisfy the Director and therefore, await notice of the granting of the petition for expungement.

Respectfully submitted,
